SUMMARY

Motivated B.Tech student in Artificial Intelligence and Data Science with 81% academic performance. Skilled in Java, Python, C, SQL, and Data Structures, with project experience in a Gamified Learning App. Passionate about software development and problem-solving, seeking a Software Engineering Intern – Java role to gain practical experience and grow as a developer.

EDUCATION

Bachelor of Technology(B.tech) 09/2023 – 09/2027 | Guntur,India
Artificial Intelligence and Data Science
CGPA-8.1

Intermediate 09/2021 – 09/2023 | Vijayawada,India
Sri Chaitanya jr.college
Percentage-96%

SSC 2011 – 2021 | Ananthapur,India
Z P High School Gugudu
Percentage-98%

SKILLS

Programming Languages — Java,Python,C,C++, **Core Concepts**Core — Object-Oriented Programming, Problem Solving, | Basic Data Structures, Operating Systems, | Computer Networks

PROJECTS

Gamified Learning Platform

The Gamified Learning Platform is an interactive application designed to make learning more engaging and enjoyable for students. It uses quizzes, rewards, progress tracking, and achievement levels to motivate users and improve their learning experience. The platform focuses on increasing student participation and helping learners stay consistent through a userfriendly system.
